

Huia Botrytis Riesling 2018

100% organic Riesling grapes

RS: 144 g/l / Alc: 12.7% / TA: 9.7 g/l / pH: 3.3

The grapes were hand harvested at optimum ripeness. These were de-stemmed and crushed to the press, which was a lengthy and difficult process — imagine trying to get juice out of a raisin.

The wine was fermented in stainless steel tanks using organic yeasts which carried out a long, cool ferment.
